USMP-4 Investigators Meet, Train at Marshall Center

An Investigator Working Group meeting for the upcoming Marshall-managed fourth U.S. Microgravity Payload (USMP-4) mission is being held at Marshall Tuesday. Representatives of science teams are meeting with mission managers and controllers to finalize plans for the mission. The meeting coincides with the first USMP-4 simulation this week at Marshall.

Volunteers Needed for CFC Community Service Day Sept. 13

Volunteers are needed for this year's Combined Federal Campaign Community Service Day, 9 a.m. - 1 p.m. Sat. There is a special need for volunteers with construction skills to help with projects for Care Assurance System for the Aging and Homebound (CASA) and Habitat for Humanity. Projects are also planned for Christmas Charities, Hope Place, and Boy Scouts of America. **Contact:** Jeff Hamilton, 4-1186.
